On August 17, 2021, I, Inspector Melissa Petrillo REHI 1, visited the above address to conduct a routine DFD contract youth camp inspection. Upon arrival, I met with Erica McCombs and stated the purpose of my visit. Ms. McCombs informed me that the center had not qualified to be a DFD summer camp and that the center is only operating as a licensed childcare center. Ms. McCombs stated that she was informed of the center's denial through a virtual webinar and did not receive any grants of funds.

A DFD youth camp inspection was not conducted.
