*Temporary COVID-19 Family Differential Payments provide up to \$300 for full-time care, or \$150 for part-time care, per eligible child, per month on top of the child care assistance rate paid by the state. Family Differential Payments will be made through June 2024. ** A 13-year old child is only eligible for child care payments if they turn 13 during an eligibility period. A family will not be eligible for child care payments for a 13-year old child at initial eligibility, except if the child has special needs.
