

SUMMER YOUTH CAMPS

NJ Child Care Subsidy Program - Registration Requirements

OVERVIEW

In Fall 2017, the Department of Human Services (DHS), Division of Family Development (DFD) introduced new requirements for summer programs that accept child care subsidy payments. These changes were put into place as a result of the Child Care Development Block Grant (CCDBG) Reauthorization Act of 2014. This federal law increased the health and safety requirements for all child care and early learning settings that accept child care subsidies, including youth camps.

Federal law also allows DHS/DFD to impose standards on child care providers that accept a subsidy payment.

To receive child care subsidy payments from the Division of Family Development, Child Care Subsidy Program for the upcoming summer season, youth camps must comply with the requirements below and must submit the following documentation.

CARE OF INFANTS

A camp must have a Child Care Center License from the Department of Children and Families, Office of Licensing in order to qualify for payments through the New Jersey Child Care Subsidy Program.

This requirement applies to providers that:

- Serve children under the age of 2 ½.

The license must include the appropriate use group classification that authorizes the number and ages of children served.

MONITORING

Any Summer Youth Camp that wants to continue to receive child care subsidies on behalf of families will be subject to unannounced monitoring, inspections and audits by the DFD.

BACKGROUND CHECKS

Federal law requires Comprehensive Criminal Background Checks on all child care providers and staff age 18 and older. Certain disqualifying crimes will make a provider ineligible to receive payments through the Child Care Subsidy Program.

A Comprehensive Criminal Background Check will include:

- Criminal History Record Information (CHRI) Fingerprint check;
- State and National Sex Offender Register Check; and
- Child Abuse Record Information (CARI) Check (staff ages 14 and older will be required to undergo the CARI check).

You will receive more information on how to complete the Comprehensive Criminal Background Check before 2019 summer camp registration.
