Item		Remarks <i>R = Repeat Violation from the previous inspection</i>									
<p>On August 16, 2021, I, Inspector Melissa Petrillo REHI 1, visited the above address to conduct a routine DFD contract youth camp inspection. Upon arrival to the address listed, I rang the intercom at the main entrance of the building, but it was unanswered. The building seemed to be unoccupied, and no campers or adults were observed.</p> <p>I called the phone number 551-213-7120 which was provided on the sign outside of the building, but it went unanswered. I called the phone number provided with the application 973-623-0530 which also went unanswered, and an automated message stated to call the camp director, Natasha Johnson, directly and provided her direct phone number. I was unable to leave a voicemail message on this number. I called the new number provided 862-276-5685 and the phone call went unanswered. The voicemail box was full, and I was unable to leave a voicemail message.</p> <p>An internet search did not yield any results of a camp being conducted by the name Play Learn &amp; Grow Before and Aftercare at the above address, although there was a sign for the camp outside the building.</p> <p>A youth camp inspection was not conducted.</p>
