

2022 Summer Youth Camp Grant Financial Assistance to Families

The following is a list of summer youth camps that have been approved for grants funds. If you do not see your summer camp listed, encourage them to apply by [sharing this flyer](#) with your provider. The list is organized by county and then alphabetically.

Camps who receive grant awards must use a portion of their grant funds to offer NJ families financial assistance.

To qualify for financial assistance, families must:

- Be a New Jersey resident;
- Have a household annual income that does not exceed \$100,000 per year;
- Not be receiving child care assistance from any other publicly-funded child care program; and
- Complete the Youth Camp Financial Assistance Application (will receive from your camp).

This list will be updated weekly.
