

NJCCIS e-Child Care – Accessing e-Child Care System (KinderConnect) As A Provider

How To Access the e-Child Care System (KinderConnect) as a Provider

This Tip Sheet provides instructions for Providers to access the e-Child Care System (KinderConnect) through NJCCIS.

All e-Child Care System (KinderConnect) users are called Operators (Account Users). Each operator is assigned an Operator Type (Role) that determines what they can see and do in the system. Providers are assigned the Provider Administrator role, which allows them to view information for their own location(s), including child and client (sponsor) records and payments.

- A** Log in to [NJCCIS](#) and navigate to your Provider Record.
Sign in to your account

The login form contains two input fields: 'Email' and 'Password'. Below the 'Password' field is a checkbox labeled 'Remember me' and a link labeled 'Forgot Password?'. At the bottom of the form is a dark blue button labeled 'Sign In'.

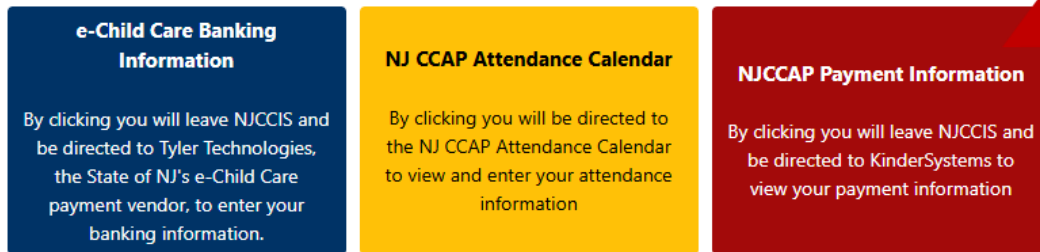

- B** Navigate to the “Quicklinks” section that is expanded by default.

The 'Quicklinks' section is a dark blue header with a dropdown arrow. Below it is a grid of buttons. The first row includes: Case Management, Complaints, Provider Information, File Cabinet, Inspection Tasks, Personnel, Enforcement, and Serious Incident Report. The second row includes: Email, Licensing Notes, Subsidy Notes, Technical Assistance, Provider Admin, Grants, Grow NJ Kids, and Quality Initiatives. The third row includes: Letters, Child Enrollment, Tuition Assistance, Record Requests, Follow-Up, License Issuance, and e-Child Care.

- C** Press the **e-Child Care** button.

This image shows a close-up of the 'e-Child Care' button in the Quicklinks section. A red arrow points to the button, which is labeled 'e-Child Care'. Other visible buttons include 'Enforcement', 'Serious Incident Report', 'Grow NJ Kids', 'Quality Initiatives', and 'License Issuance'.

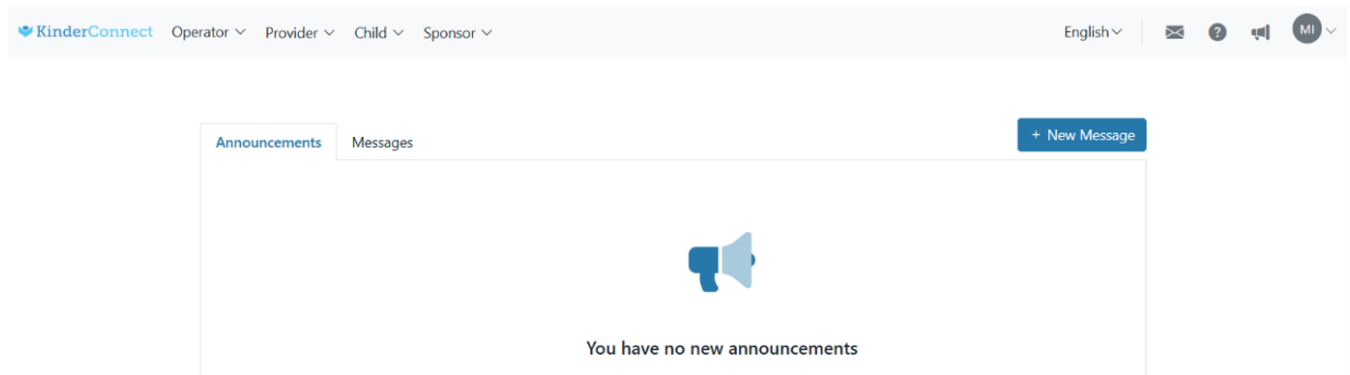

D Press **NJCCAP Payment Information**.

The image shows three rectangular buttons arranged horizontally. The first button is dark blue with white text. The second button is yellow with black text. The third button is dark red with white text. A large red arrow points from the top right towards the third button.

e-Child Care Banking Information	NJ CCAP Attendance Calendar	NJCCAP Payment Information
By clicking you will leave NJCCIS and be directed to Tyler Technologies, the State of NJ's e-Child Care payment vendor, to enter your banking information.
