Overview and History

Goal #1: To support strategies that enable employers to develop and train their future workforce while offering career seekers affordable paths to obtain and secure a career.

Goal #2: Support the current need to strengthen the early childhood workforce, address workforce shortages and support an increase in recruiting and retaining a highly skilled workforce. In the pilot phase of this program, NJ will support programs with apprentices working in infant and/or toddler classrooms towards an infant/toddler CDA Credential.

Pilot Development:

January 2023 – NJ awarded PDG B-5 Planning Grant

February-December 2023 – Research, stakeholder assessment and planning

January-June 2024 – Program Development

July 2024 – Launch of Pilot and steps toward Federal Registration

What is Apprenticeship?

Apprenticeship is an employer-driven, structured education and training process used by organizations as a mechanism to ensure their employees meet or exceed industry occupational standards in alignment with U.S. DOL requirements.

New Jersey is currently in the process of registering the ECE Apprenticeship Program in partnership with the NJDOL and U.S. DOL.
