

## NJCCIS e-Child Care – Zoom In And Out In Google Chrome

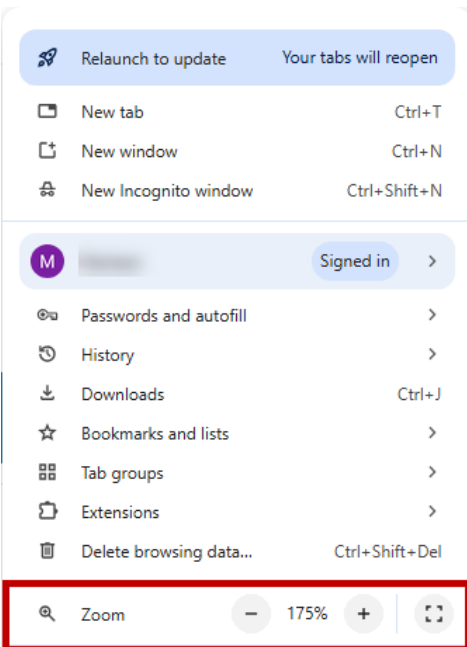

### How To Adjust the Zoom Level in Google Chrome

This Tip Sheet provides instructions for adjusting the zoom level in Google Chrome when using the e-Child Care System (KinderConnect).

- A** Go to the top-right corner of your browser window. Click the three dots menu.

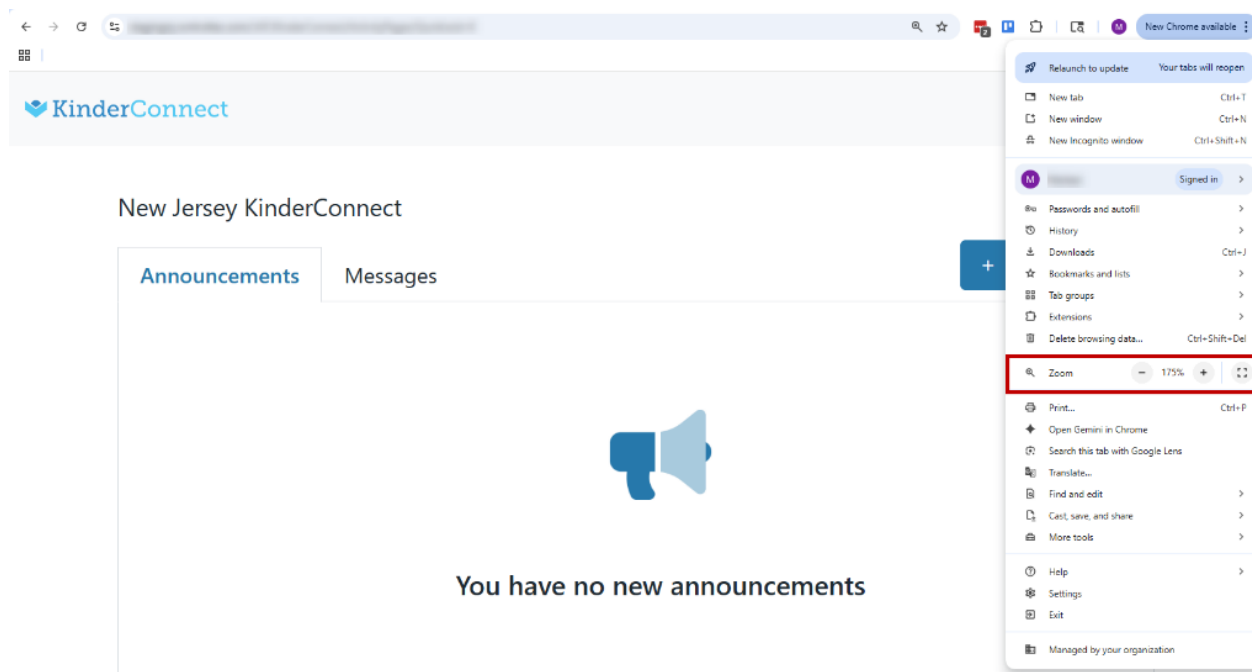

- B** Find the "Zoom" section.

- C** Click the "+" icon to zoom in, or the "-" icon to zoom out. You can also use the keyboard shortcuts "Ctrl +" to zoom in or "Ctrl -" to zoom out in any web browser.

- D** The zoom percentage will change. A larger number means you are zoomed in. A smaller number means you are zoomed out.

- E** You will see the change on your screen immediately.

- F** To return to normal view, set the zoom back to 100%.
