Upon arrival to Camp Little Shots located at 1 Meridian Road in Eatontown, the camp was found to be not operating. The entire school building at this address was being occupied by another camp, M and N Summer Experience. I spoke to the camp director of M and N Summer Experience, Mr. Max Sutton, who confirmed Camp Little Shots decided not to operate this season due to COVID-19 and M and N Summer Experience is the only occupant.

M and N Summer Experience camp ID is 3450. An initial camp audit was conducted for M and N Summer Experience while onsite.

Camp Little Shots was listed as a DFD Contract inspection.
