On August 9, 2021, I, Inspector Melissa Petrillo REHI 1, visited the above address to conduct a routine DFD contract youth camp inspection. Upon arrival to the address listed, I rang the intercom at the main entrance of the building but there was no answer. I called the number provided by the camp and was unable to reach the camp or leave a message. No campers or people were observed on the outside property of the building to suggest a camp was present.

An internet search of the camp showed the camp was active and supposed to still be open as of 08/09/2021 until 08/13/2021.

A camp inspection was not conducted.
