

Important!

Starting February 1, 2021, you need to check your child in and out of child care daily using your phone by calling **1-800-997-3333**

Using your own phone to record attendance is safer and more convenient during this public health crisis.

Visit [ChildCareNJ.gov](https://www.childcarenj.gov) for a short video and guide on how to:

- check your child in and out daily
- record an absence/sick day
- record a previous check-in/out if you missed a day

Need help? Call **1-800-332-9227** for your local CCR&R.
